

## Egg Art

By Doug Tolbird at [DKSCustomEggery.net](http://DKSCustomEggery.net)

These beautiful eggs have been decorated using Gildenglitz® - Variegated. 'Lady in the Tub' is made from an emu egg.

### Materials

- [Duo® Adhesive](#)
- [Gildenglitz® - color of choice](#)
- [Texture Sponge](#)
- [Dazzle It®](#)
- [Perfect Paper Adhesive® - Gloss \(PPA\)](#)
- [Jewelz® - Sparkling Mica Pigments - Gold & Copper](#)

### Directions

1. Begin by applying a thin coat of [Duo® Adhesive](#) to the egg.
2. Let the [Duo® Adhesive](#) dry thoroughly. (The adhesive will become clear and tacky).
3. Next cover tacky areas with gilding, lightly burnish excess gilding off using a Texture Sponge.
4. Coat eggs with [Perfect Paper Adhesive® - Gloss \(PPA\)](#) as a finish top coat.
5. The top of the gilded egg has been embellished with [Dazzle It®](#) Embellishing Tape (orange).
6. The base it is sitting on is finish with [Perfect Paper Adhesive® - Gloss \(PPA\)](#) mixed with [Jewelz® - Sparkling Mica Pigments - Gold & Copper](#).
